

GREEK GODS & GODDESSES: E-BOOKS AND DATABASE

eBooks:

Visit the eBooks page on the library website: www.pthslibrary.weebly.com/ebooks.html

* **Gale Virtual Reference Library:**

Password: Indians

Book Available: *UXL Encyclopedia of World Mythology* (Type this title into the Search box at the top of the screen; then select Greek Mythology.)

Tips: Type in the Search box on the right side of the screen (within publication) to find your god or goddess. Use the citation tool on the right side of the screen to find the citation for your book.

Do NOT include the URL in your citation.

Citation example:

"Aphrodite." *UXL Encyclopedia of World Mythology*. Vol. 1. Detroit: UXL, 2009. 85-88. *Gale Virtual Reference Library*. Web. 29 Mar. 2016.

* **Infobase Publishing eBooks:**

Username: pths264

Password: pths264

Books Available: *A to Z of Ancient Greek and Roman Women Encyclopedia of Greek and Roman Mythology* (on page 2)

Tips: You can search by topic, or select *Table of Contents*, and search for your topic there. The citation link on the left side menu provides the MLA citation. Be sure to select MLA.

Do NOT include the URL in your citation.

Citation example:

Lightman, Marjorie, and Benjamin Lightman. *A to Z of Ancient Greek and Roman Women, Revised Edition*. New York: Facts On File, 2007. *Infobase eBooks*. Web. 14 Mar. 2016.

NOTE: There is an error in the online example. The second author's name should be first name and then last name. The example given here is correct.

Database:

Visit the Databases page on the library website: www.pthslibrary.weebly.com/databases.html

* **FactCite: Lincoln Library of Essential Information:**

Username: pthslibrary

Password: ptindians

Tips: Once you log in, scroll down on the main page and select "Mythology" Scroll to the bottom of the article you're using to find the proper citation.

Do NOT include the URL in your citation.

Citation example:

"Zeus." *FactCite: Lincoln Library of Greek and Roman Mythology Online*. Lincoln Lib. P, 2012. Web. 13 Mar. 2016.

NOTE: You must italicize the title of the database.
